FROM: James A. Davenport, Executive Director

DATE: April 13, 1995

SUBJECT: **REVISED HB 1791 - SB 1779**

On February 28, we issued a fiscal note on HB 1791 - SB 1779 which indicated that:

The fiscal impact from enactment of this bill is estimated to be an increase in expenditures of \$491,000 to implement the federally mandated Claimant Profiling Program.

On April 13, the Department of Employment Security was sent official notification that a federal grant of \$491,000 was being awarded to cover this expense. As a result of this notification of grant award, we are revising the fiscal note as follows:

Enactment of HB 1791 - SB 1779 is estimated to result in an increase in state expenditures of \$491,000 to implement provisions of the bill and an increase in revenue of \$491,000 (federal) as a result of receipt of the federal grant. This grant must be used for the purpose of implementing the Claimant Profiling Program.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
